STAR SIGNALS

★★★★★ YAHOO! Have you been following all of the exciting new developments in THE SECRET LIFE OF TOP DOG? Right on the heels of TD's highly acclaimed team-up with HEATHCLIFF in issue #9, our ever-cantankerous canine is joining forces with a certain familiar ever-friendly neighborhood web-swinger. Yes, that's right! TOP DOG meets SPIDER-MAN! It's the very first time a STAR character has met a member of the MARVEL UNIVERSE! Sound the trumpets! Alert the newspapers! Tell your teacher! But, don't miss TOP DOG #10! (What's next? Will Joey Jordan join the NEW MUTANTS?!)

★★★★★ Aside from its historic importance, the above story is noteworthy for another reason. It was written by a brand new member of the STAR Bullpen . . . Jovial GEORGE CARAGONNE . . . and it's the very first comic book story George has ever had published! Remember a few months ago when I wrote a STAR SIGNALS about dreamers who want to break into the comic book industry? Well, TOP DOG #10 is proof that some dreams do come true! Let's all welcome George to the team! Way to go, fella!

★★★★★ Another dream come true is the long-awaited, much-demanded meeting of the DROIDS and the EWOKS! The story begins in DROIDS #4 and is continued in EWOKS #10. (The collectors among you should also note that this is the very first time we've had a STAR story which was too big to fit into a single issue of a comic book!)

★★★★★ And, now for a bit of personal news. Inspired by the rash of recent team-ups in her books, assistant editor Nancy Brown is currently planning a rather special team-up of her own. She's getting married! I really have to give Nancy credit. Aside from helping editor Sid Jacobson phone freelancers, and coordinate, edit and proofread all of the scripts, penciled pages and completed artwork for an entire line of STAR comics, Nancy is also on the phone every day with caterers, florists, dressmakers, bridesmaids and the guy who sweeps up the hall after the wedding. WHEW! Where does she manage to find all the time? I'm sure you'll all join with me in wishing her the best of luck! (By the way, Nancy, when you get time, I'd like you to put together a letters column for the next issue of CARE BEARS . . .)

★★★★★ That's all for now . . .

Thanks for being there!
